CALL FOR APPLICATIONS
Position: Research Consultant
Location: Itanagar

Job Profile

Pahle India Foundation is seeking applications for the role of *Research Consultant*. It is an opportunity to contribute to impactful policy development in collaboration with the government. This is a six-month contract position based in Itanagar, with the possibility of extension up to one year.

Eligibility

Advanced degree (Master's or Ph.D.) in Economics, Tourism Management, Agriculture, Communication, Environmental Studies, or related fields with minimum 2 years of relevant work experience. Candidates who have experience in data collection, statistical assessments, will be preferred.

Knowledge and Skill Requirements

- Strong research, analytical and strategic planning skills with attention to detail.
- Strong understanding of ecological and cultural sensitivities, particularly in indigenous or ecologically fragile regions.
- Ability to work collaboratively with diverse stakeholders.
- Prior work experience in Arunachal Pradesh or similar geographical and cultural settings is highly desirable.
- Should be oriented for applied policy - oriented research.
- Strong communication skills, both written and verbal, for effective policy documentation and presentation.
- Ability to think independently
- Should be a team player, highly motivated, particular about observing deadlines and prepared for outcome-based performance evaluation.
- Proficiency in stakeholder engagement, with experience working alongside government agencies, local communities, and private sector partners.
- Familiarity with Arunachal Pradesh's cultural and ecological context is an advantage.

Remuneration - as per industry norms and dependent on skill sets

Application Procedure - Applicants should send their CV & a cover letter to info@pahleindia.org

Organisation Overview - PIF is a leading not-for-profit policy think tank, founded by Dr Rajiv Kumar, former VC, NITI Aayog and current Chairman PIF, in June 2013. Its motto is "Putting India First To Make India First." Over the last one decade of its working, PIF has been able to successfully carve out a niche for itself and earn a reputation with policymakers as an independent, extremely credible institute that can be relied upon for producing high quality inputs for policy formulation. Over the next 5 years PIF aims to be the country's leading policy think tank and the preeminent go-to-institute, which is rooted in Indian reality and focuses its research on complex policy challenges, thereby playing a significant role in India's growth story. PIF also provides a credible, trustworthy and neutral policy platform for bringing together government, industry, academia and civil society for enriching the public narrative on topical issues.
